FREEDOM IS NOT FREE!

Bill Clary

Tomorrow our nation celebrates its freedom from England as this was officially declared in 1776. We should take time to remember the many men and women who from the time of the Revolutionary War until today have given their all for their country. Many who survived have returned permanently maimed or at least unable to fully function and we are grateful for their service to our country. The ones who returned fully well are also to be commended and praised for the help they provided in keeping us free.

Going back to A.D. 30 or 33 (however you view the date), we remember one who gave freedom to all who have lived or will live until He returns. The only obligation is that we must accept this, Rom. 6:23. If we do not accept the free gift, it is of no benefit to us.

Jesus died on the cross for you and me, let us live and bear our cross daily for him!

There is indeed a high cost of a free gift. Think on these things.

You are loved,

Bill Clary
