SCHOOL IS BACK IN SESSION

Bill Clary

Summer is perhaps the busiest time of the year for those living in Alaska with long days, nice weather and many thousands of fish waiting to be put in your freezer! It is also the worst time of the year for church attendance as so many are away.

Now that school is back in session, whether public or home, let's double up and make every attempt to attend every service. We do not repeat lessons on Wednesday that are taught in Bible class on Sundays or a sermon in the evening that is delivered in the morning. All lessons are different and each is beneficial.

We thank Brad Thomas for heading up our educational program and all the teachers and helpers for making this work so well. It is a joy to see the happy faces of our children as they learn from God's word and of the adults as things are presented that bring back memories or provide new challenges to their thinking.

Become a Berean this year and for the rest of your life, Acts 17:11!
