THEY THAT WERE SCATTERED...

Bill Clary

In Acts 8:4 we learn that the early church was forced to leave Jerusalem and the members went to many different places. Everywhere they traveled, they took God's word with them and established congregations. This was the Lord's way to get evangelism started!

We often sing songs of commitment such as "Here am I, Lord send me" but have no plans to ever leave our local residence. We sing "If Jesus goes with me, I'll go" and yet will not plan to leave the area.

Years ago a group from Texas and other states left for New York and began what was called: Exodus Bay Shore. The church was established and many learned of the truth during the World's Fair held that year in New York. The move was intentional and people prepared. The situation in Acts 8:4 was not an intentional move on the Christians' part, but they were well prepared to teach having learned from the apostles.

Are you ready to serve wherever you are called to go? Think on these things!
