THE CROSS OF CHRIST

Bill Clary

Paul Said that he wanted to preach only Jesus Christ and Him crucified. If we preach Jesus and His word only, we will make Christians only!

Today's lesson deals with the cross of Christ using numbers to illustrate the completeness of it. One is amazed if they consider this in a setting such as this.

The intent of this lesson is to inspire all of us to believe more in the hope of Christ via His death for us on the cross and to appreciate what He did for us. I encourage you to pay close attention as we learn how much our Savior truly loved us.

When I survey the wondrous cross
On which the Prince of glory
died, My richest gain I count but loss
And pour contempt on all my
pride

Were the whole real of Nature mine,
That were a present far too
small, Love so amazing, so divine,
Demands my soul, my life, my all.

Think on these things!
