SEPTEMBER 11TH

Bill Clary

Today's date is one that America will never forget. On that day over 3,000 people were killed by two planes that crashed into the twin towers in New York. A plane crashed into the Pentagon and due to heroics of some passengers the White House was spared from damage. Our country has not been the same since then.

About 2,000 years ago a person was crucified in Israel and the world has never been the same since. Jesus died on the cross of you and me and did so to provide eternal life to all who will obey Him.

Jesus came to do His Father's will which was to seek and save the lost, Lk. 19:10 and to do His Father's will, Jn. 6:38.

May we never forget the tremendous tragedy of the planes crashed intentionally by terrorists. However, please remember the death of our Lord and Savior even more often as He died for all that all could live for Him.

I am with you always, even to the end of the age, Mt. 28:20

Think on These things!
